**Students Attending the Three Seas Program for Graduate Credit** (Please read and sign)

I will be applying to the Three Seas Program for graduate credit because I will have already earned a bachelor's degree by the time I begin participation in this program. I understand that I am required to complete an application with the Department of Biology in the Graduate School of Arts and Sciences. I also understand that I will not be admitted to the Three Seas Program until first admitted as a graduate student at Northeastern University. I am applying as:

A special (non-degree) graduate student.

A graduate student in the Professional MS in Marine Biology Program
